

## TT 4550

- Patented flip lip-up head design for simple and easy brush and pad changes - no crawling underneath
- Fully adjustable handle make the machine comfortable to use for any operator
- Excellent pad pressure allows for scrubbing or stripping
- Excellent water pick up dries the floor like no other
- Stainless steel chassis will never rust
- Structural foam brush deck is rust proof , durable and carries a 10 year warranty
- Semi parabolic squeegee with polyurethane blades pivots to give you efficient water recovery on turns and is easily removed for cleaning
- The entire unit can be broken down into sections for manual transport up and down stairs
- So compact, so easy to use, for anyone

### MACHINE TECHNICAL SPECIFICATIONS

#### Chasis / Body

|                     |                 |
|---------------------|-----------------|
| Body Construction:  | Polyethylene    |
| Frame: Construction | Stainless Steel |
| Product Height:     | 46"             |
| Product Length:     | 44"             |
| Product Width:      | 34"             |
| Weight              | 150             |

#### Productivity

|                            |    |
|----------------------------|----|
| Soln Tank Capacity         | 11 |
| Recovery Tank Capacity:    | 11 |
| Run Time (80% battery use) | NA |
| Square Feet Cleaned        | NA |

#### Vacuum Motor

|                              |                 |
|------------------------------|-----------------|
| Vacuum Motor: - Watts        | 1200 W, 2 Stage |
| Airflow                      | 95              |
| Waterlift at Sealed Orifice: | 100             |

#### Scrubbing and Transport System

|                        |               |
|------------------------|---------------|
| Cleaning Width         | 20"           |
| Brush Width            | 20"           |
| Brush Motor Power      | 1200W, 1.6 Hp |
| Brush RPM:             | 180           |
| Brush Pressure         | 105           |
| Brush Circuit Breaker: | Yes           |
| Power Cord             | 65 '          |

#### Warranty \*

|                                  |    |
|----------------------------------|----|
| Body                             | 10 |
| Frame                            | 5  |
| Motors and Electrical Components | 2  |
| Labour                           | 2  |
