

Cleans and brightens all types of carpets and rugs for longer life and better appearance. This powerful detergent removes embedded dirt and ground-in grime, separating the individual fibers and raising the nap. This cleaner is designed for steam or hot water extractors and is suitable for use on all synthetic or natural fibers, including those with factory-applied anti-soil treatments.

DIRECTIONS

Grease and oil stains should be removed with a suitable spot remover prior to extraction. Difficult food, drink and blood stains should also be pretreated. Thoroughly vacuum the rug or carpet.

Use 1 to 2 ounces of this detergent per gallon of water in extractor tank. Follow machine manufacturer's directions for machine use.
