

## DP 420

- Can clean virtually any floor surface
- Very effective on grouted tile and rubberized floors
- Also cleans carpets, hardwood, profiled ceramics
- If the floor is uneven use the Duplex
- 2 counter-rotating brushes that scrub the surface with aggressive action
- Twin conveyors lift the dirt-filled solution from the brushes to a central recovery tank or you can choose to double scrub the area picking up the water later
- Brushes and drive unit are offset, so the brushes work right up to the edge of the machine and into difficult corners
- Brush options include 2 grades of black brushes for regular or aggressive scrubbing , grey is the standard all purpose brush and yellow is for sensitive carpet areas
- Excellent as a replacement for bonnet cleaning or interim cleaning
- Our industries best restoration machine when used in conjunction with hot water extraction

### MACHINE TECHNICAL SPECIFICATIONS

#### Chasis / Body

Tank Construction:	ABS
Frame: Construction	Stainless Steel
Product Height:	
Product Length:	
Product Width:	14"
Weight	84 lbs.

#### Scrubbing and Transport System

Cleaning Width	14"
Brush Width	14"
Brush Motor Power	1000 W, 1.3 Hp
Brush RPM:	780
Brush Pressure	70 lbs.

#### Productivity

Soln Tank Capacity	2 x 1.6
Recovery Tank Capacity:	1
Square Feet Cleaned	NA
Power Cord	35'

#### Warranty \*

Body	10
Frame	5
Motors and Electrical Components	1
Labour	1

\* See NaceCare warranty document for details
