

PowerTec High Pressure Cleaner

Restroom Cleaning System

PowerTec enables the operator to easily and thoroughly clean around fixtures much faster than is possible when using wipers, brushes or mops. And, because the PowerTec is continually flushing away contaminants, the end result is hygienically cleaner facilities. ►

One size does not fit all, and that's especially true in the field of restroom cleaning. That's why the PowerTec was developed. Its unique design equips it to tackle the very toughest restroom cleaning challenges including high traffic sports facilities, casinos, schools, or universities.

PowerTec is the most effective way to complete a major restorative cleaning process. The system delivers vastly improved hygiene. In fact, schools that use power cleaners report measurably lower absenteeism resulting from communicable illnesses.

Why PowerTec is a Cost Effective Purchase

Time is money. When you consider staff reductions and increased expectations, you must find a quick and efficient way to thoroughly clean.

-  PowerTec cleans restrooms in less than half the time compared to "traditional" restroom cleaning procedures.
-  At today's labor costs, it won't take long to get a full return on your investment and begin to realize meaningful, ongoing savings.
-  3 different machines in one. Its' the ultimate restroom cleaning machine. It can also be used as a wet vacuum. And, with an additional attachment, it transforms into a superior carpet extractor. Now your equipment budget stretches even further.

PowerTec comes with NaceCare's specially formulated environmentally responsible cleaning agent (**PowerChem** and **PowerChem HD**). Its acid-free formulation is easy on facilities that could be damaged by the continuous use of acidic solutions. Ideal where safety and hygiene are high priorities.

PowerTec (RM 1800H)

Vacuum Motor	1.3 Hp = 1000W - 2 stages
Airflow	106 CFM
Waterlift	100 inches
Pump Rating	800 PSI (MAX)
Pump Pressure (adjustable)	0 – 400 PSI
Pump Type	Piston
Flow Rate	1 gallon / minute
Weight	120 lbs
Power Cord	42 feet
Pressure Hose	50 feet
Vacuum Hose	33 feet
Blower Hose	33 feet Extendable Hose
Capacity - Solution	18 gallon
Capacity - Recovery	18 gallon

PowerTec High Pressure Cleaner

Got it tough? Then get tough with the PowerTec cleaning system (RM 1800H). Guaranteed to be the most effective solution for hands-off cleaning of the grittiest jobs you face — like a

stadium after the big game. And you can do it in half the time it takes with a conventional cleaning process.

PROCESS

BENEFITS

1 Spray <ul style="list-style-type: none">• Spray cleaning solution (onto waterproof surfaces only) in a top-down manner	 Applies solution quickly & effectively.
2 Dwell Time <ul style="list-style-type: none">• Dwell time allows for maximum cleaning results	 Specially formulated, acid-free cleaning agent emulsifies soil.
3 Brush (Optional) <ul style="list-style-type: none">• Scrub any heavily soiled areas with brush	 Ensures thorough removal of heavy soils.
4 Rinse <ul style="list-style-type: none">• Rinse all surfaces carefully with high pressure setting	 High pressure agitation dislodges even the heaviest grime.
5 Squeegee <ul style="list-style-type: none">• Remove water from mirrors, counter tops, & partitions with squeegee	 Results in dry and spot-free surfaces.
6 Vacuum <ul style="list-style-type: none">• Methodically vacuum water from floor	 Guarantees floor is completely clean and dry.
7 Dry (Optional) <ul style="list-style-type: none">• Blow dry touchables (faucets, flushers, toilet seats) with blower hose.	 33" stretchable blower hose allows easy access to all areas of large or small restrooms.  Blow-drying allows you to prep room for immediate use after cleansing.
8 Empty <ul style="list-style-type: none">• Dispense waste through the drain hose.	 Cleanup is simple and easy, shielding you from contact with dirty, contaminated water.
9 Done!	 It's that easy to achieve thorough, hygienic cleaning that saves you time and money and protects you and your environment.

The PowerTec system is versatile and easy-to-use and comes complete with many specialized attachments, allowing you to clean even the most difficult to reach places.

PowerChem

The Environmentally Responsible Cleaner for Your PowerTec

PowerChem's acid-free formulation scours but does not scratch. And it protects not only surfaces but also users and the environment. It's safe for use and excellent at removing soap scum, hard water and mineral deposits.

-  Formulated with coconut and corn oils rather than petroleum
-  100% bio-degradable
-  Contains no chlorine bleach, carcinogens, butyl, or EDTA
-  The built-in dilution tip included in the one-gallon container consistently meters solution mix, ensuring the most effective use of the PowerChem.
-  PowerChem eradicates odors at the molecular level leaving a pleasant scent after cleaning

PowerChem HD

Environmental Responsibility and Heavy Duty Cleaning Punch for PowerTec

PowerChem Heavy Duty provides power and protection in a single cleaning product. It's a more aggressive cleaning action than PowerChem, but maintains environmental responsibility. Get tough, be nice.

-  Acid-free formulation exclusive to NaceCare won't damage chrome or enamel and won't burn carpet or clothing
-  No abrasives are used so surfaces won't be scratched or dulled
-  Aggressive chelating agents easily remove scale, soap film, and scum
-  The built-in dilution tip included in the one-gallon container consistently meters solution mix, ensuring the most effective use of PowerChem Heavy Duty
-  PowerChem Heavy Duty eradicates odors at the molecular level leaving a pleasant scent after cleaning
