

BOX EXTRACTORS

Our Tempest series box extractors are lightweight and easy to transport machines. Constructed with rugged rotationally molded polyethylene, the upper and lower tanks detach into two separate units. Their powerful 1.3 Hp vacuum motors (with 2 year warranty) provide excellent water recovery, 100" waterlift and 106 CFM of airflow.

Tempest 8X

At only 49 lbs, the TP8X is light and easy to transport yet has all the power of a full size extractor.

With its 100 PSI pump and 20' vacuum and solution hoses, TP8X is ready to tackle even the largest of jobs.

TP 8X

Tempest 4X

This compact but powerful unit features a 60 PSI pump, an easy to clean recovery tank and comes with an 8' solution/vacuum hose plus a hand tool. An optional extraction wand is also available.
